MEMORANDUM FOR: General Counsel
FROM: Director of Central Intelligence
SUBJECT: Morning Meeting Discussion Item (U)

1. Following up on a suggestion at our luncheon meeting of Deputy Directors and Independent Office Heads, I'd like to ask you to take the lead in preparing a discussion item for one of our forthcoming Morning Meetings. I think this should be titled "After Snapp--What?".

a. It would look at where we go if the Snapp case is sustained by the Court of Appeals--all of the legal procedures and whether we are likely to have to wait for the Supreme Court and, if so, what do we do in the meantime. Alternatively, where do we go if the case is thrown out?

b. What do we do about Agee before or after Snapp? (C)

2. When you are ready, arrange with the DDCI to schedule this for a time when I will be able to attend and when we can set aside 20 minutes to discuss it. (U)

3. Feel free to circulate a point paper on this ahead of time if you think it would facilitate the discussion. (U)
